Joint Vision 2010

America's military preparing for tomorrow. Quality People Trained, Equipped and Ready for Joint operations • Persuasive in Peace • Decisive in War • Preeminent in Any Form of Conflict

"Joint Vision 2010 is the conceptual template for how America's Armed Forces will channel the vitality and innovation of our people and leverage technological opportunities to achieve new levels of effectiveness in joint warfighting."

Joint Vision 2010

Why a Joint Vision?

- CJCS Title 10 responsibility to assist NCA "in providing for the strategic direction of the armed forces
- Provide a common direction to harmonize Service views and guide their force development efforts
- Advance joint warfighting capability as intended by the Goldwater-Nichols Defense Reorganization Act

21st Century Security Environment

MOOTW

National Military Strategy

Peacetime Engagement Activities

72 DOCs

A concept-based statement of the operational capabilities required to satisfy a Joint Force Commander's needs in 2010 and beyond and meet 21st Century Challenge requirements. A fully articulated DOC is expressed in terms of subordinate tasks, associated conditions, criteria for measurement, and potential means to accomplish the task.

Used by ACOM as basis for their experimentation plan

JV2010 Leadership Responsibilities

SecDef

- Provides guidance on national security policy and objectives *CJCS*
 - Assists President/SecDef in providing for the strategic direction of the military
 - Develops doctrine for the joint employment of the armed forces
 - Formulates policy for joint training and coordinating the military education and training of armed forces

- Responsible for JV 2010 implementation
- Oversees USCINCACOM joint experimentation program
- Oversees USCINCACOM joint concept development

USCINCACOM

- **Executive Agent for Joint Experimentation**
- Conduct joint concept and capabilities experiments
- Create/explore joint warfighting concepts for joint experimentation
- Recommend to CJCS joint concepts/capabilities for further assessment/JE

USACOM Joint Warfighting Experimentation Charter

- Executive Agent for joint warfighting experimentation (JWE)
 - Experimentation supports JV 2010 implementation
 - Design, prepare, conduct and assess JWE
 - Leverage DOD experimentation activities
- Joint Concept Development
 - Create and explore new joint warfighting concepts and capabilities
 - Integrate and assess concepts from Services, CINCs and other sources
 - Services retain primary responsibility to develop concepts, conduct experimentation within core competencies
- Recommend future joint warfighting requirements in DOTMLP terms

Concept Development
